Subject: RE: draft final Arkwood briefing
Date: Monday, October 26, 2015 7:02:03 AM

All,

Just to let everyone know... I am in the office Monday, Tuesday, Friday this week. If it is on Wednesday or Thursday. I will have to call in. Dee Dee should be available on Wednesday or Thursday.

Subject: draft final Arkwood briefing

Attached is the current Arkwood presentation for Carl/Pam.

It contains all the updated information from FOIA and Dwayne indicated that he would be available to present that information for whenever the briefing is scheduled.

For us, I also updated the dioxin reassessment section and FYR section. Let me know if any comments.
